

WEED CONTROL *Splatter Gun*

Enables one person to “kill-off” large infestations; delivering a targeted, low-volume, high concentration herbicide treatment.

What you get with the Splatter Gun:

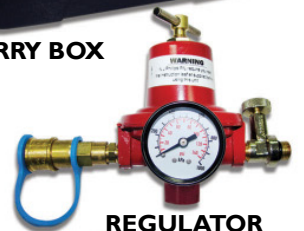

CODE: P50P-F

- Powered by LPG.
- Compact and portable.
- Effective in difficult terrain.
- Treat up to 10 metres away.
- Specifically designed nozzle.
- Excellent for large thickets.
- Able to distribute herbicide to target spots without damage to native flora.
- Major Service Kit WX1788: cylinder, o-rings and valves.
- Minor Service Kit WX1787: o-rings and valves.
