

Instrument Combination Holster

njphillips.com

The NJ Phillips Instrument Holster is designed for the ease of carrying your Phillips vaccinators and drenchers whilst tending live stock.

The holster comes in two parts as shown below and is easily combined and adjusted for safely accommodating a wide range of NJ Phillips instruments. Snap ring grooves enable positive location for quick adjustment.

Open slots are provided in both holster components to accommodate your custom belt arrangement and leg tie.

LEGEND:

- 1. Vaccinator Holster
- 2. Drencher Holster
- 3. Belt Assembly
